Hi Jon –

I just called and left a message with Sadie hoping to reach you and make sure we are coordinating re the meeting we had planned next week re the UIC program. DOC/DOGGR would like to proceed with the meeting . I am thinking we can focus on the roll-out of the communications following our receipt of the overall plan. Please advise. Thanks

Mike

Hi Steve/Jon –

I just left Steve a message but it sounds like he is en-route back from Bakersfield. Jane and I discussed checking in with you both to see if the timing of the meeting next week in SF is still optimal? Please feel free to give me a call.

Thanks

Mike
